

## External CSS and Responsiveness

- This is how I linked an external file of CSS to my project:

```
@media screen and (max-width: 768px) {  
  .main_container {  
    display: grid;  
    grid-template-columns: auto;  
    align-items: center;  
    justify-self: center;  
    width: 100%;  
    margin: 0 auto;  
    height: 90vh;  
  }  
}
```

- Result:
