Video and Forms

● **This is how I linked the video and added a contact form to my project:**

```html
<div class="main__img--container">
                <iframe width="100%" height="315"
src="C:\Users\asusp\Downloads\FAR CRY (Honest Game Trailers).mp4" frameborder="0"
allowfullscreen></iframe>

        </div>
```

● **Result:**
